Performances: July 14th - 15th. Conflicts: \_\_\_\_\_

1. We **strongly** recommend that students **do not miss ANY rehearsals**.
2. However, if a student **must** be away they are responsible to learn all of the missed material on their own.
3. If the student is on a performance team and is gone when parts, solos, or choreography is given out he/she **might not be able to participate in that portion of the show**.
4. Do not expect the teacher/instructor to take class time to re-teach the material that was covered while your student was away.
5. The final decision on these matters will be left up to the instructors/director.

**COMMENTS:** Please tell us anything you think we should know that will help the summer be a positive and successful experience for your child. \_\_\_\_\_
