COMMERCIALS

WATERMELON

Today my mother brought home a watermelon from the store. I've always hated watermelon mainly because of the seeds. Every time you take a bite, your mouth is full of seeds. But guess what? Our watermelon didn't have seeds! My Mom said, "They're the new, and seedless watermelons from Hawley Farms." I took one bite. And all I tasted was melon. I have only one question. If there are no seeds, how do you grow them?

GRAPES

It's hot outside. Real hot. So I went to the freezer to get a popsicle. But my brother had eaten the last one. So now I was mad and hot. Then I noticed someone had accidentally put the grapes in the freezer. Well, it's better than nothing. Did you know frozen grapes taste like popsicles? Well, I didn't. I ate them all. Now my brother is the one who is mad.

PEAS

Kids of America. Over the last week, I've received a million letters telling me the best way to eat peas. Some kids say a fork. But when I tried that they fell off. Some kids say a spoon. But then I only got a little bit of peas at a time. Then I discovered the two handed system. That way you can eat as many pease as you want before your dad get hold of them.

EAGLE AIR

When my grandma invited me to visit her in Alaska, I was a little nervous. I had never been on a plane before. But my mom told me not to worry, I was flying on Eagle Air. The safest airline in the sky. And it's perfect for kids. Every seat has it's won video game system. And the stewardess served candy. When I got to Alaska, my grandma had to drag me off the plane. Eagle Air. For kids, there is no better airplane.

BURGER KING

My Grandma is always going on about how tough it was when she was little. Yeah right. So what if she had to sleep in a log cabin. I could do that. And so what if she never got to eat out because there were no restaurants. I could—wait a minute. There was no Burger King? Oh poor Grandma. How did she stand it?

MONOLOGUES

ANOTHER SISTER!

Another sister, who asked you if I wanted a sister. I already have three, what you feel the need to add to your collection? Mom—Dad let's stop and really talk about this...I mean, I thought we had a good thing going ya know? You, me after all the girls are gone...just me. Remember that? I mean, ma—I hate to state the obvious, but don't you think you're a little old to be chasing after 5 kids? And girls? Have you thought of the wedding bills, dad? Honestly, I'm disappointed in both of you. My life is over!

HAPPILY EVER AFTER

You're right, you're absolutely right. I don't belong here. But do any of us? Wait, wait, wait! We are more alike than you think! Wicked Witch. The Seven Dwarfs saved Snow White and then what happened? It left you the unfairest of them all! Now you're hustling pool to get your next meal. How does that feel? You, Frumpy Pigskin, right Rumpelstiltskin...my bad. Where's that first born you were promised, eh? Hook! Need I say more? Mable, remember when you couldn't get your fat foot in that glass slipper? Cinderella is out there right now, eating bon bons and schmoozing with every last fairy tale creature that has ever done you wrong! There are 2 sides to every story. And our side has not been told. So, who wants to come out on top for once? Who wants their HAPPILY EVER AFTER?

WINN DIXIE

Dad, I found a dog. I want to keep him. I know I don't need a dog, but this dog needs me. He does need me! Winn Dixie, here boy! He is not a horse, dad! He's homeless, too. I know he stinks. He needs all the help he can get. I can be doing my duty. Look, he's smiling at you. Don't you love a dog with a sense of humor? He's a nice dog, isn't he? He's a great dog, isn't he? Please, daddy, can I keep him? Look at him...he's skinny. He needs to be fed well and bathed, too. Oh, please daddy, please. Please. He can stay! Thank you, temporarily. I know it sir, we're not getting our hopes up, are we Winn Dixie

BEAUTIFUL DREAM

Gus, Jaq, I had the strangest dream, My Fairy Godmother sprinkled happy dust over Anastasia and Drizella, and they were so nice to me! I know that was only a dream, but it was so nice, that I think I'll try to pretend that it really happened. Whenever they are mean to me, I'll pretend they actually said something sweet and kind. "Sure, I'll wash your dresses, Drizella... I would love to polish your shoes, Anastasia. Right away Dear Sisters, Thank you!" (Giggles) Did you see their faces, Jaq. They must think I've gone mad. Did you see how they hurried to their rooms and slammed the doors? They may not actually be caring or good natured, but they'll be too scared to come out of their rooms for at least a few hours. So ... who's up for a game of hide-and-seek while we've got the run of the house?
